

One

Original title: One

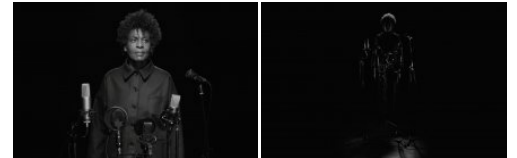

One is a film, a performance, a 21st-century protest song, a call to action, a pledge, a commitment, a solemn undertaking, a summoning of consciousness, an instruction, a stand against mindlessness and distraction, an art of limits, an active silence, a difficult love. And an invitation... to drink in the vibrancy of life at all levels... to embrace complexity and attend to our world with a befitting vibrancy of feeling.
