

Only Flesh

Original title: Enkel Vlees

Twenty-year-old Luka is the singer with a hard-core punk band who strives to share his leftist ideals with the world. But his fellow band members don't understand him, and he can't count on their support in a world where exposing one's feelings is considered to be feminine. When they get the chance to play as a support act for a name band, Luka tries his best to prove himself to the lead singer. But the thirty-something tattooed punk hero turns out to be an asshole of flesh and blood who leads Luka on a downward spiral.
