

OnlyFriends

Original title: OnlyFriends

Olli, Kas and Jackie are looking for a new flatmate. They go for Nina, a student in sexology. Thanks to her joie de vivre, Nina quickly bonds with her new friends. However, each is immersed in their own world, dealing with their own sexual and emotional struggles. While Kas grapples with coming-out, Jackie tries to make ends meet by offering online sex advice. Nina sees it as her mission to create a close-knit group of free-spirited individuals. Can she transform the student flat into a place where everyone can truly be themselves?
