

Oumoun

Original title: Oumoun

"Dear Grandma, you'll be surprised to hear my voice in your language..." Those are the first words in a pre-recorded, spoken letter never sent but instead played aloud in real time by a Brussels filmmaker to her elderly grandmother in Mahdia, Tunisia. In the company of the camera, the lines easily turn into a voiceover that gradually transforms into a dialogue across languages, across cultures and across generations.

CREDITS
