

# Outside – World

Original title: Hors Monde

This documentary takes the perspective of the symbolist writer Maurice Maeterlinck who, during his years of solitude on the Côte d'Azur, is haunted by doubts. In a final soul-searching moment, he is confronted with his own soul talking in the voice of a young woman. She speaks to him in his own words: she quotes him and claims him. Unsure about the outcome, Maurice nevertheless gives in.
