

Palmyra

Original title: Palmyra

Palmyra is a fortune-teller. She 'sees' the future of her fellow man very clearly but she's not able to get a precise idea of her own future and certainly not of her love life. Then one day she starts having visions. Little by little and in a disordered way she gets information. Palmyra tries - in her own funny way - to understand the visions in order to complete the puzzle of the ideal man.
