

# Parasisi

Original title: Parasisi

On the border of Suriname and French Guiana, the Lawa River runs through Wayana territory, a land steeped in history, long before political borders were drawn. The Wayana people's enduring connection to the river has sustained them for generations. While Suriname emerged from Dutch colonial rule to gain independence, French Guiana remains European soil. This unique geopolitical situation transforms the Wayana homeland into a global focal point, where ancient traditions collide with modern dilemmas.
