

Pasta Fatal

Original title: Pasta Fatal

Pasta Fatal, originally a brand of rat poison, reflects a recurring theme in the work of de Gruyter & Thys: an obsessive fascination with the morphology of depression and the inevitable downfall of mankind. Extended close-ups of despairing, diabolical and catatonic faces induce a trance-like state, where the actors gradually transform into sculptures within the film. The subject ultimately becomes an object, or vice versa.

CREDITS

DIRECTOR: Jos De Gruyter, Harald Thys

CREATION DETAILS

TYPE: Film

PRODUCTION SHARE: Majority Flemish
Production
