

Pepsi, cola, water?

Original title: Pepsi, cola, water?

Jazz pioneer and philosopher Sun Ra had a deep fascination with outer space and ancient Egypt. Computer animation, archival footage and music from Sun Ra are interwoven in a recreation/celebration of his legendary visit to Egypt in 1971. The result is a film as far out as Sun Ra himself.

CREDITS

DIRECTOR: Tom Bogaert

PRODUCER: Tom Bogaert

WRITER: Tom Bogaert
