

Point Off U

Original title: Point Off U

A regular night in the city, apparently everything seems to be normal. The last bars are closing, a heavy shower made everybody go inside... An old freak discovers a drunk young man, laying in the street with his head against the wheel of a car. The young man is in state of coma. Immediately the owner of the car appears with his girlfriend. They step unsuspecting into the car and start to make love... They are caught by a little group of elated, drunk youngsters. Much faster than expected, this confrontation explodes. The sleeping young man against the wheel of the car is forgotten. When everything is quiet again, the young man is left alone in the street. An early walker finds him still in the gutter. We know that this is not the end... Indifference kills.
