

# Porte Bagage

Original title: Porte Bagage

"Do you remember last summer when we played 'Always go straight ahead'"? Elise and her brother Morris sit silently in the car both deep in thought: he looks outside through his crystal ball, turning reality upside down; she stares blankly and hardly watches the road. Then they reach a deserted crossing and decide to start a journey. They know where it starts but have no idea where it will end...

## CREDITS
