

Pukkelpop

Original title: Pukkelpop

An inspiring portrait that shows Pukkelpop in all its facets and pays tribute to the people who bring it to life. Pukkelpop, one of Europe's largest festivals, welcomes more than 66,000 visitors every day, but the real story takes place behind the scenes. This documentary series reveals the human side: why thousands of volunteers return every year, how the complex machine works and what drives artists and audiences. From the dismantling of edition 38 to the euphoria of edition 39: Pukkelpop is more than a festival. It is a movement, a family and a lifestyle where music, people and atmosphere come together.
