

Ray and Ruby

Original title: Ray and Ruby

This live action/CGI hybrid relates the comic adventures of two funny mice, a storybook castle, and a Count who's out to catch them both! Ray and Ruby are twins with insatiable curiosities - which is just as well, as they've recently moved with their mum and dad into an old castle in the countryside, stuffed to the ramparts with legends, mysteries and adventures! With its many rooms, attics and extensive gardens to explore, the castle is the greatest adventure playground two mice could hope for.
