

Ritual

Original title: Ritueel

Kiki is a police diver specialised in forensic diving and the retrieval of bodies. She has worked hard to gain the respect of the small team of machos that she leads. After Kiki fishes a severed hand out of a Brussels canal, she meets Chief Inspector Nick Cafmeyer, who arouses powerful feelings in her - the sort of complication that she could do without in her life. It appears that the hand has been hacked off while its owner was still alive. Nick believes it is some sort of score-settling in the drug world, but Kiki, due to her background, has a very different take on the case.
