

# Rooms, Conversations

Original title: Zimmer, Gespräche

The encounter in a Leipzig apartment between a Stasi officer and a civilian informant is the chosen setting for *Zimmer, Gespräche (Rooms, Conversations)*. The Stasi was the all-powered East-German police until 1989. However, neither the Stasi nor the city of Leipzig are ever mentioned explicitly. The video is thus set in an undetermined time and space, only discernible through the accent of the actors and the clothes they wear.
