

Ruby Rules

Original title: De raad van Soekie

Ruby Rules is *The West Wing* tailored to children from 6 to 12 years old, and with a lot of humour. In the *West Wing*, the set-up is an impending nuclear war between Russia and America. *Ruby Rules* is about the destination of the annual school trip. Instead of the president and his entourage, we follow Ruby, the president, and four other members of the student council. With positive enthusiasm, Ruby and her best friends are committed to their high school and their fellow students. However, there is one councilmember who never agrees with Ruby and her friends. He is actively opposing them with his attempts to thwart their plans because he wants to take Ruby's place as chairman.
