

Saint-Nicolas is Socialist

Original title: Saint-Nicolas est socialiste

Roger Boeckx and Filippo Zito are opposition councillors in Saint-Nicholas, a suburb of Liège that has been controlled for more than a century by the Socialist Party. In this former working-class area, one of the most densely populated in Wallonia, they see themselves as whistle-blowers, exposing an opaque municipal administration. As the elections approach, the last in which they will stand, Roger and Filippo dream of turning the local political game on its head.
