

Salamander II

Original title: Salamander II

Five years after the end of *Salamander I*, CI Paul Gerardi is still living with Patricia at Castle Wolfs. Their daughters, Sofie and Nicola, are at university. Paul lost his wife Sarah, Sofie's mother, in a bomb attack in the first season. Patricia has also lost her first husband and the father of Nicola. This season, the murder in Matonge of a political refugee from Kitangi, an African state and a former Belgian colony, draws Paul into a conspiracy about two diamond mines in Kitangi. The trail leads to the Brussels-based Minnebach Private Investment Bank. Minnebach is - together with three foreign banks - the financial engine behind the rebel army under General Bombé, who is waging an exceptionally bloody campaign to seize power in Kitangi. When Paul Gerardi starts interfering in a politically-driven plot, he has to run for his life once again.
