

Schneider vs Bax

Original title: Schneider vs Bax

Hit man Schneider gets a call from Mertens on the morning of his birthday with the offer of a rush job. Schneider turns it down because he has promised his wife help with the preparations for his dinner party. But when they meet in Mertens's office, Schneider is told that the target is Ramon Bax, a writer who lives alone in a secluded place. "It's an easy job. With a little luck you're back home before noon." But Bax's own home life means an apparently simple job becomes more complex than expected...
