

Serie Galante

Original title:

Série Galante is a series short films presenting a range of audacious, soft erotic situations. These fantasies all take place in the "naughty" Twenties. These simple sketches need neither subtitles nor commentary. The script swarms with surprises. The style is fast and the humour explosive. You can feel the compulsive rhythm and happy attitude towards life that so often makes a silent film intriguing to watch. To top even the best silent movie, we have added colour and an appropriate sound track. All this combined offers spicy, adult entertainment you cannot resist.
