

She They Us

Original title: Zij Hen Wij

Seven people from the Low Countries fight discrimination at the intersection of gender, sexuality, colour, age, class and religion. Musician Charlotte Adigéry, e-sports journalist Eefje 'Sjokz' Depoortere, cultural worker Fatima-Zohra Ait El Maâti, elite model Hanne Gaby Odiele, domestic worker Mieke Van Hove, space scientist Angelique Van Ombergen and gender expert Kaouthar Darmoni. Inspired by global responsibility, they reveal how change comes through mutual support, and how our true power lies in the combination of so many fights, but also in love and in joy.
