Original title: Grond

If a Muslim dies in Belgium, the next of kin are faced with a major dilemma: where should the deceased be buried? Here or in the country of origin? When Ismael - Smile to his friends - takes over his father's repatriation business, he thinks he's found the solution: "If you can't bury Muslims in the holy ground of Morocco, then we'll just bring the ground here...". A simple and ingenious idea, but without realising it, Smile has opened Pandora's box.
