

# Solar

Original title: Solar

**Solar is absolute. Solar is not. Solar is not at all for it is a pleasant madness with a glow inside... Solar is a song of sun. Solar is a song of death. Solar is a nocturne. Solar is a trip at dawn. Solar is the gracefulness of movement. Solar is dancing at rest. Solar is Ash. Solar is the axle of the wheel. Solar is Empedocles' jump revistid. Solar is disappearing as the ultimate deed to confirm life. Solar is a dance film. Solar is suggestion. Solar is erotic like you've never seen and never will. Solar is the caress of an invisible hand. Solar is the will to live. Solar is mourning. Solar is a foal. Solar is dead. Solar is the sun, oh the sun! There she is again and again! Solar is blushing. Solar is blue. Solar is what we never saw. Solar is what we never saw Solar is what we never saw. Solar is what our speechless senses always have known and always wanted to forget. Solar is without words. Play again. Oh the sun, the sun! there she is! Again and again!**
