

## Sorro & Co

Original title: Sorro & Co

Once upon a time, the Fairy Wood used to be the popular attraction of a small funfair. Ever since the accompanying playground was developed into a huge and modern amusement park, visitors don't come to the Wood anymore. They enjoy the myriad attractions of the park: eating in way-too-expensive restaurants and buying goods of no value whatsoever... Except for the once-in-a-million-year visitor who gets lost, nobody even knows that behind the thickly wooded bushes lies a world where old fairy tales are enacted and new ones are created.

### CREDITS

**PRODUCER:** Linda Van Tulden  
**WRITER:** Eva De Mul, Eric Peeters  
**CAST:** De Kakkewieten  
**EDITING:** Jan Gaudissabois
