

# Special Forces

Original title: Special Forces

A Special Forces soldier is away from home for eight months a year, taking part in secret operations or training with other elite troops. Even when he is at home with his family, he is on standby 24/7, ready every single moment to take part in a critical mission. During these missions, he is sent to the most dangerous places in teams of only six men, without back-up and often left to his own devices. Special Forces portrays the lives and missions of the Flemish Special Forces Soldiers and offers a unique opportunity to get a glimpse behind the scenes of these elite troops.
