

# Storm – Letter of Fire

Original title: Storm

**Storm Voeten (12) is the son of printer Klaas Voeten, who secretly prints banned texts. Unintentionally, Storm becomes the object of a headhunt by the Inquisition for a forbidden pamphlet penned by Martin Luther during which Storm's father is arrested. Before running off, Storm - understanding their significance - grabs the offending printing blocks. Threatened by the Inquisition who will do anything to retrieve and destroy the blocks - fearing the spread of the Reformation - and aided by Marieke, a Catholic orphan girl who lives in the underground sewers of Antwerp, Storm is caught in a race against time to save his father from death as a heretic and to aid the struggle for freedom of expression and religion.**
