

# Strikers

Original title: Spitsbroers

Two brothers have a shared dream - that of becoming professional football players. But when one of them is selected to play for a top club, he discovers the glamorous yet deceitful world of world-class football. The other brother's dream is shattered, however, and he has no choice but to find another way to make something of his life. One thing is certain: both they and their family will find out that there's a price to be paid for success. Will their love for each other turn out to be stronger than the call of money and fame?
