

SVEN – The Final Year

Original title: SVEN - Het laatste jaar

On Wednesday 24 February 2016, Sven Nys rode his very last cyclo-cross race, after a career lasting 18 years and a record 291 victories. Nys is an über-pro, a control freak who leaves nothing to chance, an ascetic who lives to ride. In this documentary, we get to see that life for the first time, pure and unadorned. A unique insight into the mind and life of a sporting phenomenon.
