

SVThe Final Year

Original title: SVHet laatste jaar

A two-part documentary about cyclo-cross legend Sven Nys' emotional final year as a rider. For 18 years, Nys lived like a professional, an ascetic control freak who survived solely on cycling, food and rest. In this documentary, director Jan Vandermotte focuses on his discipline and lifestyle for the very first time. The result is a unique insight into the head and life of a sports phenomenon.
