

Taking Chances

Original title: Patatje oorlog

Nine-year-old Kiek is full of energy and adores her father who is a doctor travelling to war zones. But she worries constantly: he could get sick, have an accident or be shot. To reduce the chance of something happening to him, she has strange rituals for which she needs a dead dog and a dead mouse. The problem is, she doesn't know where to get them so her chances of saving him diminish.
