

Tango Libre

Original title: Tango Libre

Prison guard JC is an uncomplicated man who always abides by the rules. Taking tango lessons is his only distraction. One evening at his class, JC meets Alice and dances with her. The following day, he sees her again in the prison visiting room, first with one man, then with another. It turns out she is married to two prisoners, Fernand and Dominic. Rules don't allow guards to see prisoner's relatives but, for the first time, JC breaks them...
