

The Aviatrix of Kazbek

Original title: De vliegenierster van Kazbek

On the Dutch island of Texel, Marie dreams of mountains. She loves dancing but the narrow-minded village community expects her to behave. The arrival of Georgian soldiers on the bleak North Sea coast brings colour, life and love to Marie. In the middle of the Georgians' chaotic uprising against the German troops, she meets Goga and Irakli and breaks away from her suffocating reality by learning to trust her fantasies.
