

The Ball

Original title: De bal

Sophia, a shy girl, likes to roam around in a desolate junkyard that used to be a park. She is shocked when she hears that 'her' park is going to be cut down by the mayor. Her life changes dramatically when she meets a gypsy who lends her a living ball for five days. The ball proves to be an amazing character that whistles like an animal and makes objects fly. Sophia and her ball become instantly popular with the other kids. She even succeeds in convincing them to help her save the park. Yet when Sophia's classmate Romeo shows his amorous affections towards her, the ball grows jealous and vicious. Sophia feels more alone than ever and runs away from home... The Ball is a fantasy adventure film for the whole family.
