

The Christmas Log

Original title: La Bûche de Noël

The year's end celebrations are coming: Christmas, the tree, the dinner, the presents. Indian and Cowboy are eagerly awaiting their presents. Overexcited by the occasion, they fight and destroy the Yule log to which Horse was putting the finishing touches. Horse is livid and cancels the gifts from Santa Claus. How will they win back the favours of Horse and the Old Bearded Man? How will they retrieve their gifts? For Indian and Cowboy, it's going to be a very long Christmas Eve...
