

The Class of 2000

Original title: De Klas van 2000

When a father brings the painful news to his teenage daughter that he and her mother are getting divorced, he can't help but tell her a truth he's kept to himself for years: in the year 2000, when he turned 18 and the world was buzzing with Y2K excitement, he experienced a romance that broke his heart forever. A romance with a boy, at a time when gay romances were rarely the beginning of something beautiful.
