

The Club

Original title: De Club

Bert and Kirstie, Charlie and Ziggy, and Ellen and Ellen become friends because they each have a strong desire to have a child. But also because they understand each other, and together can escape from an outside world that doesn't seem to understand them at all. That's how they become The Club. Which, frankly, they never really wanted to be a part of. Together they try to forget the suffocating desire for a child that has taken over their entire lives.
