

The Colony

Original title: De Kolonie

Bus stop Colony is located in the middle of an enormous forest in the north of Belgium. The only reason to get off here - in the middle of this no-mans-land - is to visit a friend or relative in the old building opposite: the prison of Merksplas, aka 'the Colony'. The film focuses on Stefaan and Arlette who come every week to visit her son Jurgen, whom psychiatrists label a psychopath. Stefaan and Jurgen were once cell mates, but now Stefaan is free and wants to marry Arlette....
