

The Damned Of The Sea

Original title: De bannelingen van de zee

Thousands of Moroccan fishermen from Essaouira, Safi and Agadir have to move further south to Dakhla in the Sahara hoping to catch fish. A hellish struggle ensues. In the background, trawlers from foreign countries scour the waters with their death nets, killing an entire ecosystem; in the foreground are the desperate fishermen who have been robbed of their livelihood. Who shares the responsibility for this death sentence?
