

The Demands of Ordinary Devotion

Original title: The Demands of Ordinary Devotion

The Demands of Ordinary Devotion is based on a game of chance, and a collection of encounters in workshops and homes in the city of Rome. Tools force energy outwards, tools bring energy home and gestures are containers forever spilling over. Although the protagonists never appear together, they are inextricably bound together by their actions. Meaning is conveyed through movement and its associated sound, slowly forming a visual exploration of physicality.

CREDITS

DIRECTOR: Eva Giolo
PRODUCER: Eva Giolo
