

# The Embrace

Original title: L'étreinte

**When 25-year-old millionaire Michel puts an ad in the paper for a governess, a shy young girl, Gisèle answers. When she realizes that Michel is the person she has to look after, she almost flees from his house. Overwhelmed by the luxury, she is persuaded to stay, even though it means that Michel now 'owns' her. But a lesbian episode with one of Michel's girlfriends changes the situation. Michel tries to win her back, but in doing so makes a complete fool of himself. Gisèle and Michel completely estrange from each other.**
