

The Enclosure

Original title: In kluis

A deaf-mute forester is completely withdrawn from the world. He lives in the tower of a medieval castle which is in ruins. He uses his telescope to spy on an artist, who has decided to live in isolation with a girl who poses for him. But his solitude remains, he never comes in real contact with his neighbours, but their TV set shows him the world they come from. From the top of his tower, he falls in love with the young girl...
