

The First The Last

Original title: Les premiers les derniers

On an in infinite windswept plain, two inseparable bounty hunters, Cochise and Gilou, are on a quest to find a stolen phone containing sensitive material. They cross paths with Esther and Willy, a couple on the run. And what if it was the end of the world? In this forgotten town where everyone fails, can they rediscover human nature at its best? These may be the last men, but they are not very different from the rest.
