

The Heir

Original title: De opvolger

The Heir tells the story of father Raf and his son Dominique and their passion for horse racing, a long-standing family tradition. Raf is 65 years old but is still a jockey whereas his son has been in a wheelchair since an accident. It is therefore impossible for him to be the 'heir' his father intended. As a result, the two men embrace religion.

CREDITS

DIRECTOR: Jeremy De Ryckere
