

The Master's Plan

Original title: The Master's Plan

The peaceful Cape Verdean society is shocked when public accusations about orgies, incest, attempted child rape, attempted murder and drug abuse are made by members of a Christian sect, all pointing to highly educated and well-respected individuals. Behind this lurks a spiritual leader; a self-proclaimed prophet of God. *The Master's Plan* investigates the aftermath of these events and takes us on a search for truth and belief in an extraordinary journey into the human psyche.
