

# The Night Drags On

Original title: La nuit se traîne

**Mady leads a double life: by day he's a student, by night he works as a locksmith. One evening, he helps out Claire, an enigmatic young woman who calls him in to open the door of a flat that isn't hers. The bag she is desperate to retrieve is not hers either. It belongs to Yannick, to whom Mady must now answer. Caught up in a hellish chase, Mady has only one night to prove his innocence and save his skin.**
