

The Queen's Corgi

Original title: The Queen's Corgi

When Rex is tricked into leaving the palace by his friend Charlie, he winds up in a tough London Dogs' Home. Here he discovers that he is no longer Top Dog. He meets a sassy stray, Wanda, and falls madly in love. But she is the girlfriend of pound Top Dog, pitbull Tyson! A jealous Tyson volunteers Rex for 'Fight Club', pitching him against champion Boxer, Butch. Wanda is forced to save the little corgi by raising the alarm. Rex leads a rebellion against Tyson to overcome the bully and he and Wanda escape from the dogs home and head back to the palace together. But things at the palace are about to change...
