

The Sound of Seoul

Original title: The Sound of Seoul

Covering a time span of nearly six decades, this documentary feature and mini-series offers a unique opportunity to document the untold stories of Korean music pioneers, and to introduce their incredible sound to a new generation, not only in Korea, but all over the world. The series is also an ode to the resilience of Korean musicians, young and old. Censorship is universal and timeless: let *The Sound of Seoul* be a reminder that artistic freedom is always worth fighting for.
