

The Taste of Desire

Original title: The Taste of Desire

In this poetic trip around the world, the oyster – with its sensual and lavish associations - acts as metaphor to explore human drives and desires. Linking stories of a New York burlesque dancer, French Michelin-starred chefs, a Swedish oyster diver, a Japanese pearl-maker and a terminally ill English psychologist, this documentary by Willemiek Kluijfhout – narrated by the voice of desire – dives into the intricate nature of our deepest yearnings and quest for self-fulfilment.
