

The The Eleventh of the Eleventh

Original title: Den Den Elfde van den Elfde

It all begins at 11.11 on the eleventh of the eleventh in the run up to the annual carnival. When the longstanding carnival prince is forced to step aside for health reasons, his two children both decide to try to keep the title in the family. Very soon, what started as an innocent bit of brotherly/sisterly competition turns into bitter rivalry, with unforeseen consequences all round.
