

The The Lions

Original title: Les De Leeuwen

Mourit, Andre Vincent and Joe are leaders of the Lions Club. In Benin and in Brazzaville, they take care of much of the payment of dues to the strict observance of protocol, the singing of hymns, the uniforms... The goal is to become a continent-wide independent in the Lions Club International. Through the creation of multiple Lions Clubs, major economic operators install 'power over' and are considered as wizards by the population. Members doing charitable acts have the status of 'free benefactor' of benefactors, such as the Senators of ancient Rome. One could describe their associative pan-Africanism a neoliberal conquest initiated from the Lions Club.
